

Kansas & Missouri Society of Professional Engineers
2020 Continuing Education Seminar
Current Issues in Public Sector Engineering

The Kansas Society of Professional Engineers (KSPE) offers a yearly curriculum in **Current Issues in Public Sector Engineering**, with annual sessions held in Wichita since 2014. Previous programs focused on the following:

Fall 2014 - Financing of Public Infrastructure Projects; Selection of Design Firms

Fall 2015 – Media & Public Relations; Right-of-Way, Easements & Land Use Issues

Fall 2016 – Technical vs Political Solutions; Regulatory Requirements, KS Legislative Process

Spring 2018 – Autonomous Vehicles; Integrated Project Delivery; Wichita’s Water Future; Roundabouts; ADA; Pavement Preservation Model

Spring 2019 – Autonomous Vehicles Update; Alternative Financing Options (TIF/STAR/CID); Wichita’s New WTP; Traffic Signal Optimization; Bike Share/Bike Master Plan

The inaugural joint seminar for the northeast area of Kansas and northwest area of Missouri will be hosted by the KSPE and Missouri Society of Professional Engineers (MSPE) in 2020.

KSPE/MSPE Joint Session #1 – September 16, 2020
